

Dear Industrial Technology Graduates:

The Department of Technology is interested in systematically listening to its graduates. Therefore, we would appreciate you taking the time to complete the enclosed evaluation inventory. Your thoughtful and honest responses to this evaluation inventory is very important.

You are part of a sample of graduates carefully selected to share feedback about your experiences in the Industrial Technology Program at Elizabeth City State University. Your responses will give university leadership insights about aspects of the Industrial Technology Program that were important to you as well as how satisfied you were with those aspects.

To preserve confidentiality, your name is not requested.

Thank you for your participation,

Akbar Eslami, Ph.D  
Department Chairperson
