TECHNICAL REQUIREMENTS:
Before your exam, please confirm you meet Examity’s technical requirements.

- **Browser:** Google Chrome. Please turn off your pop-up blocker and ad blocker before the exam.

- **Equipment:**
  - Desktop, laptop, or Chromebook (tablets are not supported)
  - Built-in or external webcam
  - Built-in or external microphone
  - Built-in or external speakers

- **Internet:** A required upload and download speed of 2Mbps, with 10Mbps recommended.

Creating Your Profile
The first time you attempt to access Examity, you will be prompted to create your profile. Profile creation is a very quick process.

1. Provide key contact information for your profile.

**Tip:** Confirm that your time zone reflects the location in which you will be testing.

For assistance, chat directly with us through the Live Chat feature on the Examity dashboard, email support@examity.com, or call our test-taker support team.
2. Upload a picture of your ID (a valid government-issued photo ID). Please note, for verification purposes, you will need to bring this ID with you every time you take a test.

3. Select and answer three challenge questions.

Your profile has now been created. You should see a confirmation screen. Before proceeding to the exam dashboard, we encourage you to perform a system check to see if your system meets Examity requirements. You can do so by clicking "Check If Your System Meets Examity Requirements" and following the process.

For assistance, chat directly with us through the Live Chat feature on the Examity dashboard, email support@examity.com, or call our test-taker support team.
Navigating Your Dashboard

Once your profile is created, you will be directed to the Examity dashboard. There, a system check will automatically be performed in order to determine that your system meets Examity requirements. If all icons turn green, then your system is ready to test.

If any of the icons turn red with an exclamation point, it means that that part of your system does not pass Examity requirements. You can click on the red text in the gray box to view steps that you can take to ensure that your system meets our requirements.

**REMINDER:** You cannot take an exam if one or more parts of your system do not meet Examity requirements.

For assistance, chat directly with us through the Live Chat feature on the Examity dashboard, email support@examity.com, or call our test-taker support team.
The Examity dashboard is where you will schedule, reschedule, cancel, and start exams. In addition, your dashboard offers access to edit your profile information. For live proctored exams, you will need to schedule the date and time of the exam in advance. To schedule your exam, click on the “Schedule Exam” button and follow the process.

With Examity, you can often schedule an exam on demand. Select the day and time you want to take your exam. Then, click “Schedule Appointment.”

Please note: Some organizations and institutions may require payment for scheduling your exam. You can pay by credit or debit card. Examity accepts all major credit and debit cards.

Taking Your Exam
On the day of your exam, locate the exam card and select “Connect to Proctor.”

You will be sent to a new screen where you will be asked to run through a few steps to install the Examity extension, grant permissions, verify your identity, answer a challenge question, review exam rules, and approve our user agreement.

REMINDER: Before you start your exam, please confirm that you are accessing Examity through Chrome. If you are not using this browser, please restart your exam session in Chrome.

For assistance, chat directly with us through the Live Chat feature on the Examity dashboard, email support@examity.com, or call our test-taker support team.
1. **Browser Extension:** Please follow the prompts to add the Examity extension to your browser. Then, click “Next.”

   ![Image of browser extension](image)

   **REMINDER:** In most cases, the extension will remove itself after every exam session.

2. **Grant Permissions:** Click on the “Grant Permissions” button. You may need to perform this step twice: Once to grant permissions to the Chrome browser, and once to grant permissions to the extension.

   A pop-up will appear to give Examity access to your camera and microphone. Please select “Allow.” After both green check marks appear, you can then click “Continue.”

3. **Identity Verification:** Identity verification may take one or two steps to complete, depending on what your test sponsor has chosen for the exam. Usually, you first take an image of yourself for facial verification. First, position your face in front of your webcam. Then, click “Take Photo.” Then, click “Use Photo and Continue,” or select “Retake Photo” if needed.

   After, you will need to verify your photo ID that you uploaded while creating your profile. Hold the photo ID in your webcam’s view. Once ready, click “Take Photo.” You can also retake the picture if needed, or click “Use Photo and Continue.”

6. User Agreement: Next, read and agree to Examity’s user agreement by clicking “I agree and I’m ready to begin the exam.”

User Agreement
Take a moment to review these important items.

1. You understand that by using any of the features of the Examity website and services, you act at your own risk, and you represent and warrant that if you are the registered student who is authorized to take the applicable exam and if the identification you have provided is completely accurate and you fully understand that any falsification will be a violation of these terms of use and will be reported to the appropriate university or test sanctioning body.

2. You agree that you will be held accountable for any and all infractions associated with identity misrepresentation and agree to participate in the disciplinary process supported by the university or test sanctioning body should any such party make any request of you.

3. You also certify that you are not accepting or utilizing any external help to complete the exam, and any applicable exam taker who is responsible for any violation of exam rules. You understand and acknowledge that the applicable university or test sanctioning body will supply exam rules, and the company will have no responsibility with respect thereto. You agree to participate in the disciplinary process supported by the university or test sanctioning body should any such party make such request of you in connection with any violation of exam rules.

4. You also acknowledge that your webcam and computer screen may be monitored and viewed, recorded and audited to ensure the integrity of the exam, unless otherwise specified by your university or test sanctioning body. You agree that no one other than you will appear on your webcam or computer screen. You understand and acknowledge any captured data, along with your test answers, will be stored, retrieved, analyzed and shared with the university or test sanctioning body, in our discretion, to ensure the integrity of the exam.

7. Launch and Share Your Screen: At this point, you’ll be prompted to share your screen. First, click “Launch.”

Then, select your screen to share. Please select the ENTIRE SCREEN. Then, click “Share.” You will then be taken to the test platform.

For assistance, chat directly with us through the Live Chat feature on the Examity dashboard, email support@examity.com, or call our test-taker support team.
Once you are taken to the test platform, you can proceed to the exam once the proctor is connected. To determine when the proctor is connected, the proctor’s icon will appear in the top right corner of your webcam’s screen in the sidebar, and a green circle with text that states “Connected” will show. The proctor will then provide additional instructions for the exam process.

Some exams may require a password or access code. You must complete an authentication procedure with your proctor before you can enter the password. After authentication, click on the “Insert Password/Access Code” button in the sidebar. **You should only click on the button when you’re on the password entry page.** Once the password has been filled into the password field, click “Confirm.”

**How to Use the Examity Sidebar**

The Examity sidebar provides one-click access to everything you need for proctoring, including inserting the password, instructions, rules, chatting with your proctor, and ending your exam.

The Home icon on the left has instructions based on where you are in the proctoring process, as well as the exam’s rules.
