Federal Education Rights Privacy Act (FERPA) and Student Privacy - FERPA was enacted in 1974 by the U.S. Congress to ensure students right to inspect their own records and have some control over the disclosure of their personal records. This prevents Student Accounts from discussing student information via phone. Students can set up authorized account users for access to their student account information in Self Service Banner (SSB).

Account Refunds-Credits (negative balances) are usually the result of financial aid payments in excess of student costs, but can also result from over payment of payment plans or payments from other scholarships. We process refunds for all credit balances to the student regardless of who makes the payment on the account except those that are the result of a parent loan.

Student Refunds-Student refunds are released after financial aid has disbursed to the student’s account and generates a credit balance. The balances are released within fourteen (14) days. Specific dates of disbursement can be found on Self Service Banner (SSB) under
your Statement and Payment History. This is the date you should use to determine when your refund will be available. If you have a specific inquiry about a refund you may send an email from your campus email address only to bursar@mail.ecsu.edu for assistance. Refund processing will not be discussed via phone with parents or students.

**Parent Refunds**-Credits that are the result of a Parent PLUS loan will be refunded directly to the parent who is the borrower on the loan. If the parent wishes to have the refund check made payable to the student, they must complete the authorization with the Office of Financial Aid and Scholarships during the application period.

**Electronic Refund (E-Refund) Setup**-Students expecting to receive refunds this year should set up a refund profile on the online billing and payment system, SSB. After logging on to the system, choose the tab for E-Refunds and set up a checking or savings account to receive your refund direct deposited to your bank account. Students without an electronic profile will have checks mailed to the mailing address on file.

**Title IV Authorizations**-All students that desire to use their anticipated financial aid credits should complete the Title IV authorization to charge parking decals, books, supplies or software. Vouchers are issued only to students with signed Title IV authorizations. Forms are available on the Student Accounts webpage. Original forms must be turned in to the Student Accounts Office.
