Admission to courses must be approved by the Graduate Program Coordinator. The non-degree seeking graduate student is further urged to seek advisement regarding any course enrollment in light of its relevance to intended degree matriculation, as well as from the standpoint of the advisability of enrollment in prerequisite courses.

Persons admitted as special students are not candidates for a degree. *They may take up to nine (9) credits before being admitted to a program leading to a Master’s degree.* Credits earned while a student is designated as a special graduate student may later be applied toward the fulfillment of the requirements of a graduate degree program provided:

i. The action is recommended by the Graduate Program Coordinator of the student’s intended major and approved by the chairperson.

ii. The credit was earned within the past two years.

iii. The amount of credit does not exceed nine semester hours.

A written Thesis or Product of Learning is required for all master’s candidates. The purpose of the Thesis/Product of Learning is to provide an experience in scholarship and research, which will be of value to the student in understanding how new knowledge is developed. The Thesis/Product of Learning provides tangible evidence of the student’s development as a scholar and especially his or her capacity to discover and effectively communicate research findings. The Thesis/Product of Learning should expand the body of knowledge in the student’s chosen field.

The Thesis/Product of Learning should represent an original investigation into a subject, which has been approved by the student’s Thesis/Product of Learning Graduate Advisement Committee and the Department Chair. The Director of Graduate Education will ensure that Graduate Education guidelines and policies are adhered to and will signify completion of requirements for the Thesis/Product of Learning. The student must choose a Thesis/Product of Learning Committee in consultation with the major advisor.

The Committee will consist of a minimum of three (3) –five (5) full-time graduate faculty members, one of whom must be Chair of the Thesis/Product of Learning Graduate Advisement Committee and one from outside the student’s major department. The Committee must be approved by the Graduate Program Coordinator, the Department Chair, and the Director of Graduate Education. Each student must submit a proposal to do a Thesis/Product of Learning. The proposal must be approved by the Thesis/Product of Learning Graduate Advisement Committee. The Director of Graduate Education will ensure that Graduate Education guidelines and policies are adhered to and will signify completion of the proposal.

Once the Thesis/Product of Learning is completed, an application for its oral defense must be filed with the Director of Graduate Education by the Chairman of the Thesis/Product of Learning Graduate Advisement Committee. The application must be filed at least one (1) week prior to the date that the presentation is to be held and must be accompanied by certification that the Thesis/Product of Learning is complete except for revisions, which may be necessary as a result of the oral presentation. The oral presentation is an academic evaluation of the Thesis/Product of Learning by the Committee, and is open to committee members, university faculty, and approved guests. During the oral presentation, the Thesis/Product of Learning Graduate Advisement Committee may ask the candidate questions regarding subject matter in the student’s major field. The oral presentation must be at least four (4) weeks before graduation, and the results must be sent within three (3) days of the defense to the Director of Graduate Education. A student may present the Thesis/Product of Learning a maximum of two times. The maximum credit allowed for the Thesis is three (3) semester hours, Three (3) copies of the Thesis/Product of Learning and an electronic copy in final form must be
Policy on Completion of Thesis/Product of Learning
Students who have completed their course work and the number of Thesis/Product of Learning hours for credit required in their graduate degree program must take one of two actions as follows:

1. Students who will continue to use university resources in completing their degrees must enroll in and pay tuition and fees for the culminating Thesis/Product of Learning Capstone Courses as appropriate for all degree programs. The hours will not count toward the degree.
2. A student must be enrolled in a Thesis/Product of Learning Capstone Course for credit during the semester in which they complete their graduate work or are scheduled to receive their degree.

Degree Time Limit/Statute of Limitations
All graduate degrees, including the Thesis/Product of Learning, must be completed within six (6) calendar years from the date the first course carrying graduate degree credits applicable to the student’s program are begun.

Student Conduct
Students enrolled at Elizabeth City State University are expected to maintain high standards of honor, scholastically and morally. Self-discipline should be the primary goal of each student. Registration at the university implies the student’s acceptance of the published rules and regulations as stated in the Student Handbook and other university publications. The integrity and behavior of students will reflect upon themselves, their families, and Elizabeth City State University. Students are also expected to respect the rights and privileges of others, and abide by the laws of the city, state, and nation, and by all of the rules and regulations of Elizabeth City State University.

Students should avoid all forms of Scholastic Dishonesty, such as the following:

A. Plagiarism. Copied work, word for word, or in substance, from the writings of others and presented as one’s written work for credit. It is always assumed that the written work offered for credit is the student’s own unless proper credit is given the original author.

B. Collusion. Working with another person in the preparation of notes, themes, reports, or other written work offered for credit unless collaboration is specifically approved in advance by the instructor.

C. Cheating on Examination or Quiz. Giving or receiving, offering or soliciting information, or using prepared material in an examination or a quiz. When taking an
examination or quiz, students are expected to refrain from talking, bringing notes and books, and remain in the room until the examination is finished unless the instructor approves of the student’s leaving after finishing the examination or quiz.

D. Impersonation. Allowing another person to attend classes, take examinations, or do grade assignments for an enrolled student under his or her name is strictly forbidden. Incidents of academic dishonesty, which are reported to and affirmed by the Graduate Grievance and Appeals Committee, will result in punitive measures ranging from issuing a grade of failure to expulsion from the university. The action taken will be in accordance with the severity of the act as adjudicated by the parties, which are responsible for administering this policy, namely the Graduate Grievance and Appeals Committee, the Director of Graduate Education and the Provost and Vice Chancellor for Academic Affairs.

Academic Sanctions
Students with a cumulative grade point average below the required standard (3.00) or those that attain a letter grade of “C” in 3+ credit hours of study must limit their course load to six (6) semester hours and are subject to an academic warning for the first occurrence, and/or suspension on the second occurrence. Students that attain a letter grade of “F” in any three-credit course will be withdrawn from the university. Students have the right to appeal academic suspensions and dismissals and apply for readmission if they are of the conviction that failure to maintain the minimum cumulative grade point average for continued enrollment was due to extenuating circumstances. Students may appeal academic suspension and apply for readmission to the university by adhering to the following procedure:

Step I.
Students seeking readmission must write a letter, with appropriate documentation, to the Chairperson of the Graduate Grievance and Appeals Committee at least four (4) working days before the official late registration period ends. The letter should be addressed to:
   Chairperson of the Graduate Grievance and Appeals Committee
   Elizabeth City State University
   1704 Weeksville Road, Campus Box 943
   Elizabeth City, NC 27909

Step II.
Students must secure a letter containing an approved schedule of classes (not to exceed six (6) semester hours) from their academic advisor and endorsed by the Graduate Program Coordinator and Department Chair.

Step III.
The Graduate Grievance and Appeals Committee will convene two (2) working days before the official late registration period ends each semester.
Step IV.
The decisions of the Graduate Grievance and Appeals Committee will be forwarded to the Provost and Vice Chancellor of Academic Affairs and the Office of the University Registrar for implementation. Students returning after suspension will have a limited class load of not more than six (6) semester hours during the first semester of readmission and must maintain a 3.0 grade point average until they have satisfied the minimum scholastic average requirement. Students who have been suspended a second time for academic reasons may not apply for readmission within a minimum of one semester year from the date of suspension. Students who have been suspended a third time for academic reasons are permanently dismissed unless special permission is granted for readmission by the Graduate Grievance and Appeals Committee.

Appeals Procedure for Admission, Retention, Exit, Grade Change, Transfer Credits Decisions and Scholarship Dishonesty

The appeals procedure provides each graduate student the opportunity to formally appeal an admission, retention, exit, grade change, or scholarship dishonesty decision in the graduate program according to due process. When such disputes arise, students should immediately contact their advisor. Each appeal submitted according to this procedure must be an individual action by an individual student. Class action appeals by one student on behalf of several students are not permitted.

Step I.
If a student wishes to appeal a decision, she or he must notify his or her advisor. The concern(s) should be put in writing, with a copy to the graduate coordinator, within five (5) working days after the student has received written notice of the action. The student’s written request should include a brief summary of the facts of the case and reasons for making the appeal. With the aid of the graduate coordinator in scheduling an appointment, the student will meet as soon as possible with the advisor, Graduate Program Coordinator, and department head to privately discuss the disputed decision.

Step II.
If the dispute is not resolved in Step I to the student’s satisfaction and if the student still believes that the appeal has merit based on the facts of the case, she or he has the right to file a formal written appeal with the Chairperson who will forward it immediately to the Graduate Grievance and Appeals Committee. Guidelines for filing a formal admission, retention or exit decision appeal are as follows:

A. An appeal must be based on evidence that the program area in question has been in making its decision. The written appeal must describe specifically the challenged action of the program area. The students also should present all other evidence or
documentation in support of his or her appeal;

B. An appeal must be kept on file in the Graduate Program Coordinator’s office fifteen (15) working days after the meeting described in Step I has taken place. Within ten (10) working days after receipt of the written appeal, the Graduate Program Coordinator must schedule a hearing before the Graduate Grievance and Appeals Committee. The committee shall be composed of three faculty members, one graduate student, and the graduate Program Coordinator serving as an ex-officio member. The faculty members shall be members of the Graduate Council, with alternates serving when there is a conflict of interest. The two graduate students on the committee shall be selected by the Graduate Program Coordinator. The student appellant may, however, request in advance in writing that the two students be excused and that his or her appeal be heard only by the three faculty members. The committee shall conduct a hearing according to the following guidelines:

i. At least 48 hours prior to the hearing, the Graduate Program Coordinator will distribute to committee members any written information in support for either the student or the program area involved.

ii. A detailed record shall be kept of the hearing, preferably a taped or video recording. The transcribed record will be signed by members of the Graduate Grievance and Appeals Committee asserting that the transcript is a true record of the hearing proceedings. Records of any Step II appeal shall be kept on file in the graduate program coordinator’s office and copies shall be provided, upon request, to the student who has initiated the appeal or the program area which is involved in the appeal. Usual and customary costs associated with duplicating appeals records shall be borne by the graduate program area requesting copies.

iii. The hearing shall be closed.

iv. Both the student and representative(s), and the Graduate Program Coordinator of the involved graduate program area, shall be permitted an advisor. Advisors may be members of the university community, i.e. students or full-time faculty or staff members.

v. The Graduate Grievance and Appeals Committee chairperson shall begin the hearing by starting the tape recorder or video camera, announcing the name of the person who will be taking minutes, and reviewing the guidelines and procedures under which the hearing will be conducted. The Committee Chair will then announce, “This Appeals hearing is being held on (date). (Name of
student) is appealing the (program area) decision on (admissions, retention, exit, grade change or scholarship dishonesty requirements. The following committee members are in attendance today: (members give their names).

vi. In order, the student and the program area representative(s) will present their cases. Both the student and program area representatives may call witnesses, and the student, program area representatives, advisor(s), and committee members all have the right to question any witnesses who are called. The student and program area representative(s) should be asked for brief closing statements.

vii. The chair will then close the hearing with, “This Appeals Hearing is now concluded.” The committee will meet in executive session and will present its findings, in writing, to the Graduate Program Coordinator within five (5) working days. The written decision and recommendations will contain a numerical report of the vote and will be signed by the members of the committee. The Graduate Program Coordinator will notify the student and the graduate program area representative(s) of this committee’s decision and recommendations. The Graduate Program Coordinator should forward a written copy of all proceedings to the Office of Graduate Education for inclusion in the student’s file.

Registration Procedures
Students admitted to a degree program will receive a letter from the Director of Graduate Education specifying their admissions status and advisor. Students are expected to contact their advisor to pre-register and complete the registration process (including the payment of required fees), in accordance with the university calendar.

Schedule Changes
Students may add/drop courses according to university guidelines. Students must contact their advisor and pay particular attention to printed procedures. No course is officially dropped or added until the required procedure is completed.

Withdrawal from Classes
Any student who officially registers for a course must attend or drop the course by use of the Change of Schedule Form secured from the University Registrar’s Office and execute the proper procedures within the designated time. A student who does not officially withdraw from a course receives an “FA” grade for the course at the end of the session and/or semester. Students may administratively withdraw from a course or courses with written approval from the Provost and Vice Chancellor for Academic Affairs.
Withdrawal from the University
All students who are officially registered for classes and who wish to withdraw from the university must complete the withdrawal procedure at least two weeks prior to final exam week. Students should contact the office of the Registrar. Students receive exit counseling and are advised of the procedures to follow for any financial obligations. A grade of “WD” will be posted to the student’s transcript once the withdrawal process is complete. A student who is registered for classes and does not officially withdraw from the university will receive a grade of “FA”. Students may administratively withdraw from the university with written approval from the Provost and Vice Chancellor for Student Affairs.

Class Attendance Regulations
Students are expected to attend all classes. The maximum number of absences permitted shall not exceed twice the number of times the course meets per week. No additional absences shall be allowed except in the most severe and unusual circumstances. If class sessions are missed, students are expected to complete required course work.

Should a student exceed the allowable number of absences, the professor has the option of informing the student (in writing) that a grade of “FA” will be turned in at the end of the semester. At this point, the student may wish to officially withdraw from the class.

When the instructor informs a student of an intention to turn in a grade of “FA” because of excess absences, the student may appeal. The appeal process begins with the professor. Next, appeal may be made to the Graduate Program Coordinator, the professor’s Department Chair and finally, the Graduate Grievance and Appeals Committee. All such appeals must be initiated within five (5) working days of the time the student is sent notification of the professor’s intention to turn in an “FA” grade. No appeal will be allowed after course grades have been submitted to the registrar. Records of the appeals hearing must be submitted to the Office of Graduate Education.

Grades and Scholarship
Course requirements including methods of evaluation shall be given at the first class meeting. Grades consist of “A, B, C, I, IP, F, FA, W”. A “B” (3.0 on 4.0 Grading Scale) average is required for graduation. Graduate courses with a final grade of “C” may be credited toward completion of any part of the degree program. However, no more than two (2) “C” grades may be credited for graduation. A student who receives a final grade of “C” in excess of 6 credit hours may be suspended from is/her program and are subject to academic sanctions as letter grades of “C” are attained throughout course of study. Under certain provisions, a “P” grade designates work as satisfactory. P grades will be assigned to a student to indicate successful completion of the course. P grade will be given for an A, B, C, grades at the graduate level.

IP – In Progress – The grade of “IP” indicates that the student has not completed the Thesis/Product of Learning.
F – Failure
FA – Excess Absences
W – Withdraw

Change of Grade
A change of grade, other than “I”, for any reason, must be made within one year from the date the original grade was received. An “I” grade earned in any given term (Fall, Spring, Summer) must be removed by the end of the eight weeks of classes during the next regular semester (see Academic Calendar). If not removed, the grade of “I” will be automatically changed to a grade of “IF”.
