

# PARDON OUR DUST!

## INFRASTRUCTURE PROJECT CONSTRUCTION UPDATES WORK ZONES AND CLOSURES 9/25/2024

Beginning September 30th through October 11th, the Parking Lot and UV Way behind the Vaughan Center and Riley Student Wellness Center will be closed due to the installation of a new Campus Domestic Water Line and Electrical Distribution System. (Red Shaded Area) Parking for Faculty/Staff and Students will temporarily overflow into the STEM Building Parking Lot, Parking Lot behind the Commuter Center, and the Parking along UV Way (Blue Shaded Areas) There will also be a Work Zone Closure in front of the Central Utility Plant and on a portion of UV Way between 9/30 and 10/18. (Orange Shaded Area). There will be a construction fence and barricade to close this section of campus during this time. Please do not access this area. This is critical to maintain personal safety, campus safety, and contractor safety.
