Introduction

General Overview

Purchasing Cards (also known as P-Cards) enable organizations to make small purchases more quickly and efficiently by minimizing paperwork and processing time. Users, Accounts Payable and Purchasing can all benefit from the cards’ streamlined process. It also offers an easy method of making emergency purchases. Vendors receive payment from the card processor within a few days, without extra paperwork, thus encouraging small local businesses to do business with the state.

The P-Card represents Elizabeth City State University trust in you as a responsible employee who will safeguard and protect university assets. As a cardholder, you assume the responsibility for proper use of your card. **Card purchasing does not change or alter current purchasing policies and departmental approval processes. Your card serves only as an optional method of payment.**

The P-Card is the property of Elizabeth City State University and must be surrendered immediately upon request for any reason by an authorized person (such as the department head or the P-Card Administrator).

This reference guide will provide you with the details of the program, including general information, card issuance, card processes, purchasing guidelines, and documentation requirements. It is important to read the following information carefully, as cardholders, coordinators, and department heads / deans are responsible for adhering to the established policies and procedures.

The program maintains accountability while reducing the cycle time and administrative burden of purchasing procedures such as purchase requisitions/orders, direct pay requests, and expense reimbursements. The card is issued by Bank of America and is

Upon his or her approval, a Purchasing Card Application and Agreement can be obtained from the P-Card webpage. Complete and forward the Purchasing Card Application and Agreement with the appropriate signature approvals to the P-Card Manager. The Cardholder must complete P-Card training before card issuance.

### Card Changes - Employee Name Change, Organization and Fund Code Changes, and Approver Change

The P-Card Manager maintains cardholder applications, agreements, and change documents. To report a legal name change, change organization and fund codes assigned to the card, or change the coordinator, complete a Purchasing Card Change Form located on the P-Card webpage.

### Cardholder Employment Changes

If you leave the university, your P-Card must be returned to the P-Card Manager.

If you transfer to a different department and your new position requires the use of a P-Card, submit a Purchasing Card Application and Agreement listing your new department information.

**Travel Charges**

Individual department P-Cards are not allowed to charge any travel related expenses. Contact the Travel Department for your travel needs.

**Split Transactions**

A split transaction occurs when you split a purchase to stay within the dollar limits of your card (per transaction, day, or month), or to avoid bid processes. Splitting transactions is strictly prohibited. Care should be taken by the Cardholder to avoid the appearance of such.
Examples of split transactions are noted below. If you are uncertain as to if a transaction would be considered “split,” contact the Purchasing Card Manager, prior to purchase.

- A cardholder purchases similar items that cost a total of $5200. The sale is divided into separate transactions of $2500 and $2700. This is considered a split transaction to avoid exceeding the transaction limit and is not allowed.

- A cardholder purchases an item on Monday, which costs $5400 and pays the vendor $4900. The remaining $500 is paid on Friday. The $5400 purchase has been divided into two transactions. This is considered a split transaction to avoid the bidding process and is not allowed. A departmental bid form must be submitted.

- If two cardholders split a purchase of $6000 and put $3000 on each card; this is considered a split transaction to avoid exceeding the transaction limit and is not allowed. The order needs to be reviewed to determine if a Purchase Order is needed or if it needs to be processed through the bid form.

Sales Tax Exemption

The university is a tax-exempt entity and is not required to pay North Carolina sales and use tax on goods.

When working with vendors, the cardholder should make them aware of the exemption by providing a copy of the Tax Exemption Letter.

Verify that the receipt does not include a charge for NC Sales and Use Tax before you leave the store. If it does, provide the vendor with the tax-exempt number again and ask for a credit to be issued before leaving the store.

Debarred Vendors and the Iran Divestment Act

The State of North Carolina keeps a listing of Debarred Vendors. No State agency is allowed to conduct business with any vendor listed on the Debarred Vendor Listing.
All P-Card users should check this listing BEFORE placing a P-Card order with them to ensure compliance with this mandate.

As of February 26, 2016, the State of North Carolina enacted the Iran Divestment Act (N.C.G.S. 147-86.55-69). This act prohibited the purchase of any good or service from companies that are known to conduct business with Iran.

The forms, entitled Final Divestment List and Parent and Subsidiary List must be reviewed before a purchase is made to ensure the chosen vendor is not listed. If the vendor is not listed on either list – the purchase can continue. If, however, the vendor is listed on either list, you will need to stop and find another vendor. It works the same way the current “NC Debarred Vendors’ List” works.

How to Make a P-Card Purchase

This section addresses the application of the general purchasing guidelines to P-Card transactions. This section will address purchasing with the P-Card, by Internet, by email, and return of goods.

Card Purchase Steps

To make a P-Card purchase, follow the steps below. If in doubt about any part of the process, contact the P-Card Manager for clarification.

1. Follow the internal procedures of your department to determine if a purchase is required and authorized.
   a. Check State and GA Contracts
   b. Check the Debarred Vendors Listing
   c. Secure IT, Facilities, or Purchasing approval, if required

2. Tell the vendor you are making the purchase on behalf of Elizabeth City State University and that we are exempt from NC Sales and Use Tax. Provide a hard copy of the Tax Exemption Letter.
3. Obtain an itemized receipt (must list item description, quantity, price and total purchase price) from the vendor. Packing slips are only acceptable if all required information is included.

4. If goods are to be delivered, provide the vendor your name, department, phone number, and complete delivery instructions. Items must be shipped directly to ECSU campus.

5. Immediately notate receipt with applicable State / GA Contract information, and detailed reason for your purchase. Turn the form into your department coordinator along with any required supporting documentation.

Purchases by Internet

On-line purchases must be made with vendors who use a Secure Sockets Layer (SSL) browser session. To confirm that a secure area has been accessed, look for “https” (denoting a secure site) in the web address. A closed lock usually appears to the right of the web address or at the bottom right-hand side of the screen when you are asked to enter your card number.

If a secure browser identifier is not readily apparent to you, do not utilize the internet to make the purchase as the security of your card could be jeopardized.

Website Receipts

Web receipts must include item description, quantity, price and total purchase price.

Purchases by Email

A purchase by email is not an approved purchasing method at Elizabeth City State University. For security purposes, P-Card numbers should never be sent via email to a vendor or anyone else. Electronic correspondence regarding the purchase can be sent to your email, just ensure no account numbers are present in the email.

Return of Goods Purchased

Items purchased with the P-Card will periodically need to be returned. When this occurs, a vendor typically generates a Return Materials Authorization (RMA) number and issues a credit upon receipt of the goods.
Make certain to document the RMA number and keep the credit memo to use in the P-Card documentation.

- In some cases, you may encounter a restocking fee. The P-Card may be used to pay this fee as long as it does not exceed any of the card limits.

**Documentation and Reconciliation**

*Coordinator Responsibilities*

**Overview**

Once the weekly period is over:

- P-Card Transactions must be signed off on / approved in Bank of America (WORKS) by Wednesday or the 28th of each month by 12:00 pm.
- A [Reconciliation Calendar](#) is provided to show you when the sign-off should occur and when the associated packet is due.
- If the coordinator is not available, the back-up coordinator has the responsibility of signing off in Works and completing and submitting the P-Card packet.
- P-Card Packets are due to the P-Card Manager on Friday of each week by 5:00 pm, unless otherwise instructed on the Reconciliation Calendar.

**Disputed or Fraudulent Charges**

If there is a discrepancy on your Banner P-Card report, it is imperative that the issue is addressed immediately with the vendor and/or the P-Card Manager. Depending on the type of discrepancy, you will need to contact the vendor or P-Card Manager to resolve the disputed transaction.

If the vendor disagrees that an adjustment is necessary, immediately contact your P-Card Manager who will work with you and Bank of America to resolve the dispute. Bank of America will request complete details of the dispute in writing in order to research the item in question. **Bank of America must receive any charge dispute within sixty (60) days of the transaction date.**

A fraudulent charge (e.g., a charge which was not initiated by you) must be reported immediately to your P-Card Manager. Prompt reporting of any such charge will help to prevent Elizabeth City State University from being held responsible.
Transaction Sweep and Payment Process

The P-Card Manager will be reviewing card transactions to ensure program integrity. When the P-Card weekly period ends, the Purchasing Card Manager send reminders on Wednesday morning of each week (or at Month-End on the 28th). Once the final approval time (12:00pm on Wednesday) has passed, the Purchasing Card Manager will close the transactions in Works™.

Unapproved Transaction Sweep

Transactions that have not been allocated and approved will be swept into the payment process at 12:00pm on Wednesday of each week (or at Month-End) and charged to the departments default organization and fund. The Coordinator will be notified which fund / account that transactions were swept into via Works flagged notification.

The Coordinator will still be required to approve the transaction in Works; however, they will no longer have the ability to edit the default organization code before charges post to the general ledger. After the general ledger feed, charges can only be reallocated by requesting a journal entry request through the Accounting office. Continual non-compliance to the weekly approval period will result in loss of coordinator privileges.

As the payment process occurs, transactions are downloaded from Works™ to Banner. Accounts Payable then reconciles payment with the statement and submits payment to Bank of America.

Compliance Assurance

In order to ensure compliance with the policies and procedures of the program, the actions listed in the below chart will be taken by Campus Purchasing Services when infractions occur. General descriptions and discipline measure are listed below.

Campus Procurement Services and the P-Card Administrator reserve the right to revoke and cancel any P-Card for failure to comply with policies and procedures of the program at any time. Compliance Assurance records are maintained on a yearly basis and do not carry over to the next fiscal year from previous years.

Cardholders with flagged items older than ONE WEEK will result in suspension of P-Card privileges until the issue is resolved.
