Class Information Tab
Created by Farrah Jackson Ward, PhD

1. Below is an overview of the items found on the Class Information Tab:

- **Semester** – found in the upper right hand corner, be sure you are viewing the correct semester
- **Course Schedule** – includes course name, professor name, meeting times and locations
- **Midterm/Final Grades** – grades will appear after midterm and final grades will appear after they are submitted
- **Absences** – view number of absences for each course (the number in parentheses indicates the number of unexcused absences)
- **Schedule Tutor Appt.** – schedule a tutoring appointment for one of your courses. Tutors are currently not available for all courses.
2. To view the number of absences and tardies for a course click on the number of absences for a particular course.
   Note: the number in parentheses indicates the number of unexcused absences.

3. You can now see the exact days in which you were marked absent or tardy for a particular course.
4. If you have been marked absent in a course you will receive an email directly to your ECSU email address.
